A romantic photograph of a bride and groom embracing on a wooden pier. The bride is wearing a white, strapless wedding dress and has her arms around the groom's neck. The groom is wearing a dark suit and is leaning in to kiss the bride. They are standing on a wooden pier that extends into the ocean. The water is a deep blue, and the sky is filled with soft, golden light from the setting sun, with scattered clouds. In the distance, a low-lying coastline with buildings is visible under the twilight sky.

And so the adventure begins...

With more than twenty years experience and our non-traditional journalistic approach, we offer photography, cinematography, event planning and photo booth packages. Portraits by the Bay would be honored to be part of your special event. To learn more visit our website at portraitsbythebay.com or call 1.609.242.8801. More than just photography, friends for life.
